

# DHARMA OCEAN FOUNDATION

## Sharing Our Retreat Center

While Dharma Ocean hosts a robust schedule of events at the retreat center, the center is open to rental groups at various points each year. Under this arrangement, organizations that share the foundation's desire to bring genuine spiritual teaching and healing into our world are given the opportunity to use a handicap-accessible facility capable of hosting small to large events for varying durations.

### We offer various options.

You can use the center for a single afternoon, a day, a week, or possibly longer. If you would like to offer sleeping arrangements for your participants, we are able to provide a dormitory-style sleeping arrangement, including showers. Whether you just need tea service or fully prepared meals, we are willing to work with you to make your stay as hospitable as possible.

### Please let us know your needs.

Please contact our Retreat Center Manager at [retreatcenter@dharmaocean.org](mailto:retreatcenter@dharmaocean.org) to inquire about renting the building. It will be helpful to include a description of your program/organization, how many participants you anticipate, the dates you are interested in, and what your general needs may be, so that we can be as helpful as possible in assisting you.

**If you would like to visit our building** to see if it might fit your needs, let us know and we can set up a guided tour with the Retreat Center Manager to answer your questions in person.

### Rates:

The rates below are generally for programs with medium to large groups lasting several days up to a week. We know that some groups may be particularly small, or you might only need the building for a brief period of time.
